Find a leaf (or leaves) and trace it over and over again in the space above.
Use "pop art" colours to fill them in!

Expressionist drawings!

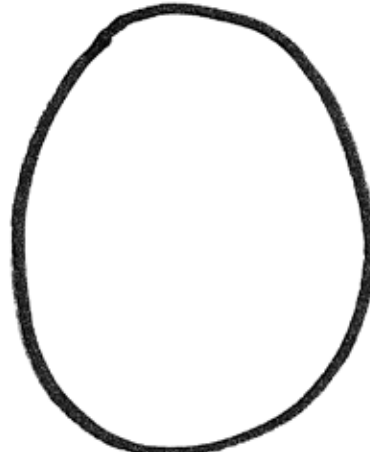

Excited!

Confused

Angry

Silly!

Try and create the "expression" written below the face shape!

Create a scene using one really BIG animal (like an elephant) and one really small animal (like a mouse), BUT reverse them. So, the mouse is really big and the elephant is very small!

**We hope you've
enjoyed these fun,
creative challenges!**

**Happy spring break,
and we can't wait
to see you when we
open up!**
